## All-Time Crim 1st XV

with big George Moala looking at some Rodeo in Joliet time it got me wondering, who would make the All-Time Crim 1st XV? During or post-career. Quade with the laptop? Beale thumping teammates in the pub? There must be worse than that. How about that french forward from a few years back who shot his wife? He'd have to be a shoo-in. Any more? Please Help !

Thanks !

I didn't find the right solution from the internet.
